## **Statement of intent**

Every child has the right to the best possible education. Damers First School aims to ensure that all pupils reach their full potential and gain the skills and knowledge necessary to lead successful lives.

This policy provides procedures aimed towards ensuring high-quality teaching and learning throughout the school.

## **1. Legal framework**

This policy has due regard to all relevant legislation and guidance including, but not limited to, the following:

- Equality Act 2010

This policy operates in conjunction with the following school policies:

- Special Educational Needs and Disabilities (SEND) Policy
- Marking and Feedback Policy
- Behaviour Policy
- Primary Assessment Policy

## **2. Roles and responsibilities**

The governing board will be responsible for:

- Ensuring an effective approach to teaching and learning is implemented across the school.
- Ensuring high expectations are set for all pupils, regardless of their abilities or needs.

The headteacher will be responsible for:

- Overseeing the school's approach to teaching and learning.
- Ensuring the needs of all pupils are met.
- Ensuring teachers are provided with support to deliver high-quality teaching.
- Promoting a culture of high-quality teaching across the school.

Teachers are responsible for:

- Monitoring and evaluating their teaching.
- Seeking opportunities to develop their teaching.
- Reviewing and evaluating their planning regularly.
- Setting appropriate and challenging targets for pupils based on ability.
- Collaborating with colleagues to moderate pupil achievement.
- Involving parents and other professionals in the monitoring process.

## **3. Learning environment**

The school will create and maintain a learning environment that will support pupils to achieve their full potential. Teachers will be responsible for ensuring their classrooms and other learning areas provide opportunities to maximise and enhance learning.

Teachers will ensure that learning spaces are used flexibly to facilitate different activities. Seating arrangements will be made in order to maximise pupils' learning experiences. Arrangements will be changed to suit different activities and to allow pupils to work independently and in groups.

Classroom displays will be changed on a regular basis and will be geared towards aiding learning, not providing distraction.

#### **4. The curriculum**

The school follows the national curriculum. Teachers will follow the relevant schemes of work outlined in the school's Curriculum Policy.

The school will ensure that the curriculum is broad and balanced. It will be carefully timetabled, and the content will be suitable for the age and ability of the pupils. In addition, the curriculum will be made accessible to all through differentiation and the provision of the necessary resources. The school will also ensure that other aspects of learning, such as the development of social skills and self-esteem, also form a significant part of pupils' education.

#### **5. Planning and preparation**

Teachers will be expected to plan effectively and appropriately to ensure all pupils are given the opportunity to reach their full potential.

Teachers will be provided with appropriate preparation, planning and assessment (PPA) time.

In line with expectations set across the whole school, lesson plans will:

- Be clearly linked to the curriculum.
- Clearly show how pupils of all abilities are catered for.
- Have clearly identified learning objectives and success criteria, showing continuity from one lesson to the next.
- Plan for retrieval to ensure learning is 'sticky'.
- Highlight the strategies for learning designed to achieve the learning objectives.
- Clearly state the activities that will be undertaken.
- Show how TAs will be utilised to enhance learning.
- Contain a list of resources to be used during the lesson and how these resources will complement teaching.
- Highlight any opportunities for assessment and evaluation.

Teachers will ensure their lessons are planned so they can be flexible to ensure the needs of all pupils are met.

#### **6. Lesson delivery**

Lessons will be balanced, in terms of teacher and pupil-led activities, and cater for different learning styles. A range of lesson types will be used including practical, visual, dramatic, investigative and group work.

Resources used to aid learning will be:

- Accessible to all pupils.
- Appropriate for the activities pupils undertake.
- The right quality for the task.
- Sufficient in range to allow pupils to make appropriate choices.
- Organised and regularly checked.

TAs will be actively involved in the lesson to aid pupils' learning. They will be involved in prior planning and preparation, and will possess a good knowledge of the needs of individual pupils. They will support different focus groups at different times (for example, pupils with SEND and academically more able pupils). In some circumstances, TAs will be utilised on a one-to-one basis with a child in need of additional help.

## **7. Supporting pupils**

High expectations will be set for all pupils, regardless of ability, circumstances or needs.

The delivery and content of lessons will be sufficiently adapted to ensure all pupils can access and achieve within the curriculum. Teachers will take account of all pupils' needs when developing their lessons.

Teachers will be aware of any pupils who may require specific support to ensure they can access the curriculum and ensure this support is implemented.

Individual education plans (IEPs) are available for pupils who are not progressing as expected, to allow pupils to lead their own achievement. IEPs are reviewed annually to ensure that they are still effective.

The SENDCO will ensure that pupils with SEND receive the appropriate support, in line with EHC plans and the school's Special Educational Needs and Disabilities (SEND) Policy.

## **8. Feedback and assessment**

Teachers will mark pupils' work and provide feedback in line with the school's Assessment and Feedback Policy.

Pupils will be assessed both formally and informally throughout the academic year. The school's approach to assessment is outlined in our Assessment and Feedback Policy.

Assessment outcomes will be utilised to inform teaching and learning strategies.

## **9. Working with pupils and parents**

Pupils will be provided with opportunities to contribute to the teaching and learning strategies utilised in school. Teachers will ensure pupils fully understand their learning objectives and know what they need to do to meet these objectives.

The school will communicate with parents about their child's learning in a variety of ways, including the following:

- Parents' consultations
- Home Learning Leaflets
- Letters home
- Annual reports

## **10. Behaviour and attitude**

All members of the school community will be responsible for developing a supportive learning culture. Staff will make sure that pupils understand that attitude to learning and behaviour are important aspects of maintaining a positive learning culture.

The principles of the school's Relationships and Behaviour Policy will be implemented at all times.

Pupils will be encouraged to:

- Listen to each other.
- Volunteer thoughts and opinions.
- Respect the thoughts, ideas and contributions of others.
- Give honest and positive feedback.

Teachers will recognise and reward achievements in various ways, including the following:
