

Damers For You

The new
school is
coming
soon!

By Olivia

Very soon we will be moving to a NEW SCHOOL! The windows have been put in and the building site is really starting to look like a school! Every classroom is on the same level and between each classroom there are toilets and cloakrooms. There will be a room for cookery, two halls and lots of outdoor space. It is looking amazing and we are hoping to move in March so not long to wait.

Instructions

1. Get your bunch of conkers and put them in a bowl/jug full of water.
2. After a few seconds some will have sunk and some will be floating on the top. The ones you want are the ones that have sunk.
3. Get your conker from the bottom. Fill the plant pot half way up with soil and put the conker in the middle of the pot. Then put the rest of the soil in.
4. Finally water it. **NOW YOU'RE DONE!**

How To Train Your Dragon

By Thea

This fantastic series is for **KS2**. You can read about the adventures of Toothless and Hiccup throughout the series and how their daring adventures help them to become heroes the hard way. In the books they are learning about dragons all the time, especially how to train them and how to work out if they are dangerous. The books are set in a fictional viking world.

Olivia's Jokes

by Olivia Burton

Doctor doctor, it hurts when I press here (pressing his side) and here and here and here (pressing his other side, both legs and both arms), so the doctor examined him all over and found out what it was. He said **“you have a broken finger.”**

A boy went to a halloween party with a sheet on his head. “Are you a ghost?” asked his friends. “No I’m **an unmade bed!**”

What's black and white and read?

A newspaper

Why did the skeleton not go to the disco?

He had nobody to dance with!

Why did Adele cross the road?

To say hello from the other side!

Why did a boy bring a ladder to school?

Because it was high school!

Why did a sausage dog go in the fire?

To be a hot dog!

Fantastic Foundation

I am Billy Keys and I am here to tell you all about Foundation!

In Skipper F they have been learning about dinosaurs. The children have settled in really well. They have really enjoyed learning about the dinosaurs. Somebody even brought in a pterodactyl egg!

Last week I spoke to Miss Rickard. She said "I mostly enjoy teaching about phonics and I like making the learning fun." She also told me about the things that are coming up including work about space.

Recently Foundation went on a school trip to the Dorchester Museum and I asked them some questions...

Why did you like the trip?

Cally - 'Because we got to make fossils.'

They all liked the teeth in the plesiosaur.

James - 'I liked looking at the fossils.'

Isobel - 'I liked the dinosaur poo and footprints.'

Why do we like school?

Philippa - 'I like school because we can go swimming.'

Ella - 'I like school because we do lots of singing.'

Oscar - 'I am looking forward to being in the new school.'

YEAR 4 NEWS by Michelle

This term we are learning about the 1950s and 1960s, especially famous art and artists, like Jackson Pollock and Andy Warhol.
