

Year 2	SEQUENCE OF LEARNING					
Autumn Term 2	Enquiry Question: How have our lives been changed by the Victorians? <i>Does our question give the children a real sense of what they will be exploring and finding out about? Consider the best order for your enquiries and it fits the time of the year. Think about the location and cultural context of our school. Does it coincide with particular events or festivals and is relevant to our community?</i>					
	Great Work: Christmas Production <i>A purposeful outcome of the learning and a celebration of what has been learnt. Generate a sense of excitement, achievement, pride. The outcome can be shared so we need to adjust our thinking in the current situation.</i>
