Mr Bracey

Hello, my name is Mr Bracey and I lead on Inclusion here at Damers First School. I work closely with the teachers to support you and your child on any issues concerning their learning, speech and language, physical, development and any other additional needs they may have.

I can also refer and signpost you to other agencies that we work with to make sure your child's time at Damers is the best it can be.

I look forward to meeting you!

Mrs Scott

Hello! I am Mrs Scott and I am Damers' Parent Support Advisor. I can support you in many ways during your time at Damers, now or in the future should the need arise.

I support parents and children in many ways from ELSA work (Emotional Literacy Support) to bereavement work and simple bedtime routines. I am very involved in supporting families also with attendance.

I run courses at different times during the year to provide information and support on

areas such as our whole school program on Jigsaw and behaviour management strategies. I am also in touch with many other agencies that can support you.

Mrs Bearwish and Mrs Hardisty

Hello, we are Mrs Bearwish and Mrs Hardisty and we are both Deputy Headteachers and Designated Safeguarding Leads. We work closely with staff, parents, children and other agencies to safeguard and promote the welfare of our children.

We provide advice and support to both staff and parents so please do contact either of us with any concerns you may have, or if you are going through a tricky time and would welcome further support.
