

SPRING 1 YEAR 3 HOME LEARNING

Harmony Principle - Adaptation

We will be exploring how different communities of people have adapted to places they live in and how the community or area they live in has changed over time.

Below are some suggestions of things you could do at home. You can pick one or do as many as you like and you might have some super ideas of your own too!

Please email any photos to year3@damers.dorset.sch.uk. All home learning to be in school on **Tuesday 6th February** for a showcase.

Make a volcano - how can you make it erupt?

Make a poster to encourage people to visit Pompeii. [Click here](#) to go to the visitor centre for Pompeii.

Learn some Italian words.

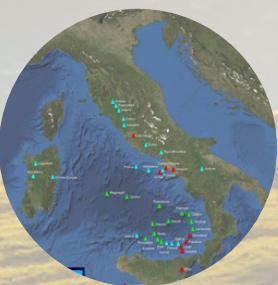

Make an Italian inspired meal or sweet treat.

Create a top trumps game with countries of Europe. Include flags, capital cities, population and number of volcanoes. Can you think of any others categories?

Create a map of Italy and label key places and features.

Find out about all the volcanoes in Italy. Create a grid to explain how active they are.

Find out about the Italian flag and other flags of Europe.

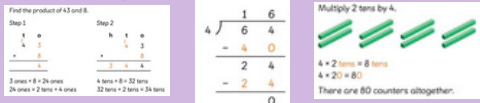

Find out why a volcano
stopped planes flying in
April 2010.
