

# SPRING 2 YEAR 1 HOME LEARNING

## WHY ARE OUR OCEANS AMAZING?

This half term we will be continuing our ocean theme. This will be explored further during our trip to the Sea Life Centre. After that we will be learning about Grace Darling and the part she played in how we protect people who may be in trouble at sea. We will also welcome the RNLI into school to talk about the job they do today and how to keep ourselves safe near the water. This is particularly important for our young children, especially as we live so close to the coast!

### Harmony Principle - Interdependence

We will be exploring how diverse marine life is.

You may not yet have done the suggestions that we sent home last half term, if not please take a look back at them. Below are a few more suggestions for you to consider. You can pick one or do as many as you like and you might have some super ideas of your own too!

Please email any photos to [year1@damers.dorset.sch.uk](mailto:year1@damers.dorset.sch.uk) by the end of this half term

Make a water safety poster!

Visit an RNLI station!

Make a fact file about Grace Darling!

Make your own life boat.

Visit a harbour or beach - can you spot any water safety signs or equipment?

Find out what all the different life guard flags mean. Why not make your own mini flags!
